Your conference at Hofgut Georgenthal

The perfect location for conferences & business events amidst the tranquillity and nature of the Taunus.

Quiet, secluded location with excellent accessibility

Meetings in the countryside – near Frankfurt and Wiesbaden

Hofgut Georgenthal is located in the heart of the picturesque Taunus and combines a quiet, secluded location with easy access to the Rhine-Main area.

Surrounded by forests and meadows, the surroundings offer ideal conditions for concentrated work without distractions. At the same time, the estate is only about 45 minutes from Frankfurt and about 30 minutes from Wiesbaden – a perfect combination of short travel time and a retreat for your team.

Meeting rooms for events of any size

Our flexible room concepts offer versatile options for meetings, seminars, workshops and business events of all sizes – from small group discussions to conferences with up to 140 participants.

We provide state-of-the-art conference technology to ensure your event runs smoothly. Large-format displays, high-quality audio and video technology, and easy wireless connection of your devices enable professional presentations and hybrid meetings. The technology is compatible with popular conference platforms such as Zoom, Microsoft Teams and WebEx and can be used flexibly.

Conference room Nassau

The Nassau conference room covers 154 m² and can be flexibly divided into two units (Nassau I and II), each measuring 77 m².

Natural light, modern presentation technology and variable seating arrangements create ideal conditions for seminars, conferences and presentations. Depending on the setup, the room is suitable for events ranging from small groups to 140 people in row seating.

In addition, elements for active breaks such as table football, dartboards, beanbags and balance boards offer opportunities for movement and promote exchange, concentration and team dynamics.

Event space & workshop rooms

The daylight-flooded event area with adjoining workshop rooms offers ideal conditions for conferences, presentations and group work.

With around 100 m², the event area with adjoining terrace forms the central element. In addition, there are two workshop rooms, each measuring 32 m², which can be used individually or combined to form an area of 64 m². Depending on the event format, the rooms can be combined flexibly.

A mobile 70-inch flat-screen TV and variable seating options allow for versatile use.

Meeting Kitchen

Our Meeting Kitchen can accommodate up to 8 people and is ideal for smaller meetings, creative work phases or as an additional retreat from the main conference room.

There is no classic conference technology here, but instead an inspiring view of the historic courtyard.

Outdoor meetings

The outdoor areas of Hofgut Georgenthal are perfect for workshops, discussion groups and meetings in the open air, especially during the warmer months.

Seating in the historic courtyard and on the jetty by the pond offer a peaceful working atmosphere and provide new perspectives away from traditional conference rooms. In combination with our indoor spaces, this creates a balanced alternation between concentrated work and relaxing breaks in nature.

Conference packages

Our conference packages offer clearly calculable services including room use, standard conference technology, refreshments during breaks and a business lunch. Depending on the format of the event, the packages can be flexibly expanded or individually adapted.

Service	Package 1	Package 2
Use of space	✓	✓

Bookability of conference packages

Event space: from 10 people

Nassau I or Nassau II: from 20 people

Nassau I + II combined: from 35 people

Meeting Kitchen: from 2 people (plus €500 room rental)

We would be happy to provide you with a customised quote for conferences with fewer participants.

Supporting programme and team building

Complement your conference with outdoor activities, sports programmes or professional team-building formats and take advantage of the Hofgut Georgenthal's natural surroundings to provide the perfect balance to your conference routine.

Meet and stay overnight together

Hofgut Georgenthal offers cosy and comfortable accommodation for your team. This allows you to combine concentrated work, shared experiences and targeted relaxation in an ideal way.

On request, the entire estate with all 39 rooms (including five suites) and our apartment can be rented exclusively – for larger corporate events or undisturbed work with a high degree of privacy.

We look forward to your conference enquiry

With us, you will receive personalised and reliable support from your initial enquiry right through to the implementation of your conference. This ensures that your event runs smoothly and that you can concentrate fully on the content and participants.
